

Tolleson Reopens in Phases

because community health matters.

PHASE ONE

Currently active

PHASE TWO: May 24, 2021

Shall activate when employees are fully vaccinated
and/or qualify for vaccination

PHASE THREE

Shall activate when vaccines are available to the general population

*Fluctuation of viral positivity rates could result in a return to a previous phase.
Each department will modify their service delivery based on the unique
circumstances of their area of responsibility.
